

## **Hazard Communication, SDS, & GHS Training Agenda**

- OSHA's most cited sections of the Hazard Communication standard
- Identify the employer's responsibilities under the HCS, including training requirements
- Identify components of a Hazard Communication program
- Describe requirements of Hazard Communication labels
- Locate pertinent information about chemicals on labels, including other forms of hazard communication, to ensure "right to understanding" provisions of GHS requirements
- What the sixteen sections of safety data sheets explain
- Exposure routes
- Methods to detect the release of hazardous chemicals
